

Medicaid Eligibility

Medicaid is a program to help alleviate medical costs for certain individuals. This course reviews the history and present-day offerings of Medicaid, including how coverage between expanded and non-expanded states differ based on the Affordable Care Act. Best-practice methods and structures relating to Medicaid eligibility are also covered.

After completing this course, you will be able to:

- Identify the characteristics of Medicaid
- Compare coverage between states that chose not to expand and those that did
- Identify provider best practices relating to Medicaid eligibility

Registration:

- Participants can earn 0.5 CPE credits in Specialized Knowledge & Application field of study.
- Registration is available by phone at [888.700.5223](tel:888.700.5223) or at healthcarebusinessinsights.com/courses.
