Course Announcement

Why E-Learning?

This course examines the rising popularity of online learning (or e-learning) in training programs and discusses whether it is the right option for your organization. The growing Millennial population, the importance of career ladders, and the ideal training program are just a few of the important topics covered in “Why e-learning?”.

After completing this course, you will be able to:

- Name the reasons why e-learning is on the rise amongst healthcare organizations
- Identify the top requirements that Millennials seek in a position
- List the ways e-learning can be utilized in career ladders and continuing education

Registration:

- Participants can earn 0.5 CPE credits in Specialized Knowledge & Application field of study.
- Registration is available by phone at [888.700.5223](tel:888.700.5223) or at healthcarebusinessinsights.com/courses.

Additional Information:

- **Advanced Preparation:** None
- **Prerequisites:** None
- **Program Level:** Basic
- **Delivery Method:** QAS Self-Study

Refunds and Concerns:
